

Required Veterinary Consent Form

For the safety of all dogs in our care, we reserve the right to seek veterinary care if we feel it necessary to do so. If a situation arises that we determine warrants immediate veterinary care, we will call you, the dog's owner. In the event we are unable to reach you, we will act in the best interest of the dog and transport to the veterinarian if we deem it necessary.

Any and all veterinary expenses are the responsibility of the dog's owner.

WITHOUT THIS SIGNED FORM, WE ARE UNABLE TO ACCEPT YOUR DOGS FOR GROOMING, DAYCARE OR BOARDING.
